# TWO DAYS OF RALLYING

Rally Stoholm is the final round of the 2024 Danish Rally Championship. It is the fourth time that the rally takes place at the present venue, but the organizing committee has been working together continuously since the 2014 Rally Denmark.

## *Rallying in the dark*

Rally Stoholm will be starting at 6 PM on Friday, guaranteeing the use of extra light beams for the evening stages.

## *Rallying in the dirt*

Rally Stoholm will be the most dirty rally of the year in Denmark. It has 141 km of special stages of which 32 km are held on gravel roads.

## *Rallying for the fans*

The fans will get close to the action. As in previous years a special stage will be held in the heart of the town of Stoholm with live commentary.

## *Rally partying*

Rally Stoholm does not end at the finish. Our rally party will continue the excitement with live music, food and beverages.

# HOW TO GET THERE?

Rally Stoholm is based in the town of Stoholm in the central part of the Jutland peninsula. The distances to the town:

- *Hirtshals*  
160 km drive
